ABOUT Us

The Academy of Multi-Skills (AMS) is registered as a registered Professional Institute. It is the leading institution in multi-skills since Year 1995 with over 25,000 active memberships worldwide. The Academy of Multi-Skills (AMS) aims to provide professional recognition to multi-skilled personnel, skilled trades, crafts and professions. The Academy encourages a positive and energetic attitude to the challenges of careers that require diversity, creativity and intellect, and recognizes the valuable contribution that these skills provide to society.

“ Knowledge is NOT skill. Knowledge plus ten thousand times is Skill. ”

Shinichi Suzuki

**BE SHARP to Capture
YOUR Multi-Opportunities
with Multi-Skills**

AMS Fellows (F.A.M.S.) are senior advocates of our academy and the profession. Fellowship is the highest grade of AMS membership; an accolade that recognises your outstanding level of achievement, knowledge and experience in procurement and supply, along with your passion, drive and determination to advance the profession for the public good.

It is also a globally recognized mark of your professional standing and reputation; an opportunity to widen your sphere of influence, using your achievements and insights to inspire others, raise the public profile of the profession and play a major role in setting the global strategy for the future of business developments.

DOCTORATE FELLOW

(Expert in Business Research and Strategies)

“Doctorate Fellow, Doctor F.A.M.S.” is the only and the highest grade of research membership awarded by The Academy of Multi-skills, United Kingdom (AMS) to practitioners with doctorate degrees or equivalent, plus proven records of successful research contribution, preferably with publications, and professional knowledge.

“Doctorate Fellow” will be granted to **selected business professionals who expertise in research and business strategies**. They are usually **corporate leaders** with successful contribution in their firms, who take up high pressure, high-level roles at work. Doctorate Fellow often move swiftly into leadership roles because their analytical power and training in evidence-based decision making is highly valued at an executive level.

Subject to the board decision, at exceptional cases, degree holders with very rich training and research experience and excellent contributions may also be considered to be recommended for “Doctorate Fellowship”. Doctorate Fellow will be granted to the following industries under series of evaluations:

1. Doctorate Fellow in Business
2. Doctorate Fellow in Management
3. Doctorate Fellow in Finance
4. Doctorate Fellow in Capital Management
5. Doctorate Fellow in Hospitality
6. Doctorate Fellow in Actuary
7. Doctorate Fellow in Estate Management
8. Doctorate Fellow in Property & Facilities Management

(Doctor FB.A.M.S.)

(Doctor FM.A.M.S.)

(Doctor FF.A.M.S.)

(Doctor FCM.A.M.S.)

(Doctor FH.A.M.S.)

(Doctor FA.A.M.S.)

(Doctor FEM.A.M.S.)

(Doctor FPFM.A.M.S.)

CHARTERED FELLOW

(Professional Expert)

“Chartered Fellow, Chartered F.A.M.S.” is the AMS’ s highest level of **professional membership**. A Chartered Fellow is a role model for the profession and part of a select group of senior professionals and business leaders that lead and drive innovative people practices to help deliver the organization’ s strategy. A Chartered Fellow demonstrates a commitment to promoting and sharing the highest standards. They are committed to **developing others as well as themselves and are compliant with an ethical code of professional conduct**.
